## APPAREL – FULL FACE HELMETS

### A. BUELL® NYLON RIDING JACKET

This riding jacket is designed for on and off road excursions, combining several different textile materials for ease of movement and comfort. The jacket front features large vents which when open allow air to pass through for cooling and when closed, keep out the cold and moisture. This design is water resistant with rain channels built into the front to move moisture away from the lap to the sides. Black with grey and reflective piping, CE approved Spine Protector, Shoulder and Elbow Armor included. Matches the XRUP pants.

**BU61** *MENS XS – XXXL*

**BU62** *WOMENS XS – XXXL*

### B. BUELL® NYLON RIDING PANTS

Black pants match the Buell® Nylon Riding jacket. Vented zippered panel cools you when it's hot and when closed, protects you from the cold. Features two large cargo pockets, the ability to zip to the Buell® Nylon Riding jacket and CE approved Knee Armor.
